

## Aperçu

### informations sur le produit

**10A-GF-0.75-92116900005**

10A silver gold female pins, Adapter wire specification 0.75mm<sup>2</sup>

### Les avantages des produits

- ☒ High-precision turning process, stable and reliable products;
- ☒ Gold-plated and silver-plated are available, suitable for different environmental requirements;
- ☒ Comprehensive products, resistant to temperature changes, shocks and harsh environments.

### Les certificats des produits

## Caractéristiques techniques

### Dessin de produit

### Marking

|                |                  |
|----------------|------------------|
| classification | Contact          |
| Series         | 10A              |
| Contact type   | Crimping contact |

### versions

|                         |         |
|-------------------------|---------|
| Female/Male             | Female  |
| manufacturing technique | Turning |

### Material characteristics

|                  |                             |
|------------------|-----------------------------|
| RoHS             | Comply with RoHS exemptions |
| Plating material | Gold plate                  |
| Material         | Copper alloy                |

Standards

|                            |                      |
|----------------------------|----------------------|
| Connection meets standards | EN 60664-1 IEC 61984 |
|----------------------------|----------------------|

Technical specification

|                                |            |
|--------------------------------|------------|
| Conductor cross sections (mm²) | 0.75mm²    |
| Conductor cross sections(AWG)  | 18AWG      |
| Working current                | ≤10A       |
| Contact resistance             | ≤3mΩ       |
| Plating Thickness              | ≥3μ"       |
| Temperature range              | -40℃~+125℃ |
| Strip length                   | 8mm        |
| working life-mating cycles     | ≥500       |
